Subject: Intention of approval to Fortune Institute of International Business, Krishna Farm, P. Jawahar, Nazafgarh Road, New Delhi - 110 061 for the year 2005-06.

For Approval:

As you are aware All India Council for Technical Education has been mandated under the ACTE Act, 1957 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfilment of the minimum requirements prescribed for imparting technical education by the institution so that quality of courses is not compromised and stakeholders are benefited. The Council also undertakes an annual inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be non-compliant about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification requirements and other requirements. Feedback of students with regard to quality of educational facilities by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, also do point out several deficiencies.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of grade 10-14%.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc) could have rendered your institution liable for punitive action including being placed in no admission/reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of Fortune Institute of International Business, Krishna Farm, Bijawasan, Nazafgarh Road,, New Delhi - 110 061 your institution for the year 2005-06 is as under:-

COURSE(S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
PGDIPM-PCUL TIME	131	130

Note: Additional intake/new courses/PCU quota are rejected on account of deficiency in respect of existing existing courses/intake.

All above approval is subject to your rectification of deficiencies reported by August 31st, 2005. A compliance report in the stipulated format detailing and details of faculty are to be submitted to the Council, at a copy to concerned Regional Office by 31st August, 2005 to enable your institution for extension of approval for the year 2005-06.

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institutions should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
