ALUMNI REUNION

The Alumni Cell recently orchestrated a memorable online reunion for the graduates of the batch 2005-2007. This virtual gathering provided an excellent platform for alumni who shared the formative years of 2005 to 2007 at our institution to come together, reconnect, and relive cherished memories. The event was an opportunity for alumni to catch up with old friends, network with fellow graduates, and celebrate the enduring bonds that were formed during their time at the institution. These online alumni reunions play a crucial role in fostering a sense of community, enabling alumni to stay connected with their alma mater, and continue to engage in the life and progress of the institution.

WE OWE YOU
