

Tax Clearance in Foreign Trade

About the program:

The government provides various benefits to the Exporters which may be refundable especially in the MSME sector, to boost Exports. The benefits can be in the form of scrips and various other Duty Drawback Schemes. While exporting the Excise duty is to be paid and while importing, the most important component is the payment of Import duty and equivalent amount of excise duty. The Exporters can use the scrips to pay these taxes which are transferrable also. There are a set of regulations and they have a mechanism of clearance which the Exporters and the Importers have to comply with.

Objectives:

-) To make the exporters understand the tax clearance processes while exporting.
-) To make the importers understand the tax clearance processes while importing.
