Disability / Long-term Health Condition

FIIB is committed to promoting full participation for disabled students in all aspects of the academic and social life of the Institute. All applications from candidates who have disclosed a disability will be considered in the same way as any other application, and a decision will be made that is based only upon the candidate’s academic merit and potential. In order to provide study support, we need to know certain information about your needs. This information will be shared on a need-to-know basis with only relevant people.

Please indicate below if you are suffering from any disability or long-term health condition.

I have a Disability [ ] Yes [ ] No

In case you answered ‘Yes’, to the above question, please explain the nature of your disability. Note, the following are commonly understood forms of disability - dyslexia, dyspraxia or AD(H)D; visual impairment uncorrected by glasses; serious hearing impairment; physical impairment or mobility issues; long standing mental health condition; long standing illness or health condition such as cancer, HIV, diabetes, chronic heart disease, or epilepsy; social/communication impairment such as Asperger’s syndrome/other autistic spectrum disorder; or a disability, impairment or medical condition that is not listed here.
