

FORTUNE CONNECT

"Mental health problems don't define who you are. They are something you experience. You walk in the rain and you feel the rain, but you are not the rain."

— **Matt Haig**

Dear Alum,

Mental health deserves just as much attention as our physical health. FIIB lives and breathes kindness, empathy, and works tirelessly to ensure that this culture extends to all its stakeholders. With May being the month for raising awareness about mental health, and in an effort to reduce the stigma experienced by so many, this edition of the newsletter presents stories from our alumni community that emphasize the importance of mental health. Hope you enjoy reading!
